Rocky Doman Memorial Scholarship Fund

Letter of Recommendation Information

Dear Teacher or Coach,

_____ (student) has asked you to write a letter of recommendation for his/her application for the Rocky Doman Memorial Scholarship Award, a $1,000 scholarship to the post-secondary school of his/her choosing..

The Rocky Doman Memorial Scholarship Fund was created in honor of Rock A. Doman who was a 2000 graduate of Carmichaels Area High School where he excelled as an athlete in several sports.. He was awarded all county, and all conference during his three years on the varsity football team as a running back and was selected to the WPIAL 4000 Yard Club for rushing. More than just an athlete, Rock was a very giving and humble person, often helping other students who were training for their sport, giving advice or pointers on how to be a better athlete, and setting a good example. His goal was always to help the team excel, even at the expense of personal achievement. Rock also made time to give back to his community as a good neighbor, coaching children, or stopping by to visit an elderly neighbor just to say hi and provide a little company.

The scholarship is open to any Greene County male or female graduating senior attending one of the high schools in Greene County who is planning to planning to pursue degree at an accredited two-year or four-year institution; is a standout student athlete playing any sport; and demonstrates ability as a team player with a humble spirit. This last criterion is the most important.

As you prepare a letter of recommendation for this student, please know that it would be helpful if you can describe how you see the student's ability as a team player and evidence of a humble spirit in your encounters with the student.

Thank you very much for your assistance on behalf of this student.
