1) Become a Certified Community Builder.

The Nonprofit Leader Development course is designed for those who want to become involved with nonprofit and other organizations.

It will prepare you for the types of decisions you need to make as a board member, volunteer or employee of nonprofit organization.

The program includes eight sessions over four months which allows you to interact with professionals in many areas.

A limited number of partial scholarships ($75) are available on a first come basis.

2) Sponsor someone to take the course.

Low registration fees are made possible through generous donations from local business, volunteer speakers and program coordinators.

Participants are encouraged to seek sponsorship from their employer, church, or community organization to cover a portion of the registration fee.

If you would like help to offset the cost of this Leadership course - provide scholarships, cover the cost of meals or materials for one or more sessions, please call 724-627-2010 for information.

Your contribution may be tax deductible.
